### Registration of Interest

The Australian Federation of AIDS Organisations (AFAO) would like to register an interest in the current review of Australia's Plasma Fractionation Arrangements. AFAO is the national federation for Australia's community-based response to HIV/AIDS. We are particularly interested in the second part of the Terms of Reference of the review, namely:

Identify appropriate requirements to be met by producers of plasma products or suppliers of plasma fractionation services to ensure the safety, quality and efficacy of such products or services. These requirements shall not create unnecessary obstacles to trade.

Please do not hesitate to contact me at the details above.

Yours sincerely,
